

*Pacificwood*  
Polyboard

**Forever Termite Proof  
Forever Water Proof**

## *Pacificwood* Polymer Board , the future is here !

*Pacificwood* is a futuristic polymer furniture board, manufactured by **Pacific Polyplast**, in its state of the art manufacturing facility near Bangalore. This is a revolutionary product which is **100% Water and Termite proof**. Also it is free from harmful Formaldehyde and being a replacement for timber is eco-friendly and in line with the 'go-green movement' of Govt. Of India. Two major problems with the use of traditional plywood, which the furniture industry has faced since ages is damage of the entire furniture because of the dampness and termite. Both these problems can now be eliminated completely with the use of this new product *Pacificwood* instead of the timber based traditional plywood boards.

*Pacificwood* Board can be widely used in all types of Furniture Applications such as Kitchen Cabinets, Cupboards, Bathroom furnishing , Wall cladding, Shuttering sheets, Construction of wall panels, Ceiling decorations, Shelving cabinets, Stair railings, Doors, Manifold office furniture , Home Furniture, Hotel and Hospital furniture.
